# Apprentice Engagement Program organised at Bangalore

Solidarity being the socio-civil movement, it was felt necessary to take up few long-term activities and projects to develop the political consciousness among the existing & aspiring political youth leaders from our community, so that matured political leadership develops which can truly/correctly represents the community in various matter. Hence, it was decided that to develop political consciousness, apprentice engagement program with political leaders/parties should be taken up for selected aspiring & exiting political youth leadership.

SOLIDARITY
YOUTH MOVEMENT KARNATAKA

# Apprentice Engagement Program

SOLIDARITY
YOUTH MOVEMENT KARNATAKA

Apprentice engagement with political leaders and political experts was taken up focussing on below points in which around 35 community youth leaders from various political parties participated.

- **Nurturing political aspirants**
- **Providing platform for existing local leaders and dominant leaders who doesn't gets opportunity.**
- **Briefing about governance system and different power houses other than Assembly like council, state boards chairman's, different commissions etc.**
- **This event was addressed by Editors of NewsPapers, MLCs, MLAs, Political & Social Activist of Karnataka**
